

# TR Stretcher for TR Comfortline

*Hygiene Equipment  
Designed for People*

## Dressing and shower stretcher for TR Comfortline

The shower stretcher is especially designed for placing above a Comfortline bathtub to be used as showerbench or changing table.

For increased safety and security, the shower stretchers can be equipped with safety rails on one or both sides.

The shower stretcher is easy to put on and take off and is made from strong and durable materials that are easy to keep clean.

Registered at Medical Products Agency, Sweden, as a MD Class 1 product, MDD 93/42EEC.

TR reserves the right to make design changes and/or improvements without notice.
